# About Us

## Who we are

The SHIJAK COMPANY is a Korean independent content production established in February 2022 by the team who produced <Single's Inferno> featured on Netflix.

SHIJAK means “beginning” in Korean, and we want to create shows which allow young creators to bring boundless ideas and contents using their experience from various production platforms, including global OTT.

SHIJAK COMPANY is a young innovative creators' group, with 1 executive producer, 6 directors, and 1 accounting manager.

## We're working on...

We are currently working on <Single's Inferno 2> for Netflix, and <Young Actors' Retreat> airing on TVING, Viu, and Viki. Also, we also have two Netflix shows, one Tving show in production pipeline for 2023.

# Goals & Objectives

We pursue...

Creating fun contents across various genre

Casting new faces outside of already known celebrities

Collaborating with different innovative ideas and cross functioning platforms for creating competitive shows for all platforms.
